 - J) expiration of the term of office.
15. Regarding the termination of authority of a member of the representative council, except as provided for by subparagraph "K" of paragraph 14 of this article, the university rector's order will be issued.
16. Voting for student candidates is carried out by proper marking on the ballot paper and placing it in the ballot box. The Election Commission is responsible for printing the ballot paper.
17. In case of conducting elections in a different format (via electronic platform), the rules and procedure for conducting elections shall be as defined in paragraph 4.23 of this Regulation.
18. The ballot paper is invalid if:
 - a) the signature of the member of the commission signing the ballot paper is absent;
 - b) none of the candidates is marked;
 - c) more than two candidates from each faculty are marked;
 - d) it is impossible to clear up which candidate the elector voted for.
19. The voting results of the Student Members' Elections on the Faculty Council are summarized in the appropriate protocol.
20. If student candidates running for election receive an equal number of votes, a re- election shall be held. Repeat elections shall be held between candidates with equal results in accordance with the procedures established by this Regulation.
21. The Chairperson of the Election Commission shall submit the academic staff and student representatives elected as members of the Faculty Council to the Rector of the University for approval within 2 working days after the elections at the Faculty, together with the relevant

protocols.

22. Within 24 hours after the announcement of the election results, a candidate, a member of the University Election Commission or a voter has the right to file a complaint with the University Representative Council regarding the violation of the rule set forth in this Regulation. Complaints will not be accepted after this deadline. The decision to annul an election shall be made by the Council of Representatives if it considers that the irregularities found have had a material impact on the outcome of the election.
23. A student who is a member of the Faculty Council automatically loses the right to be a member of the Faculty Council in case of suspension / termination of student status, as well as transfer to another faculty through mobility. A new member is elected in accordance with the rules established by this Regulation.
24. A member of student self-government may not run in the election as a candidate for the Faculty Council membership.
25. Elections of Faculty members may, in exceptional cases, be conducted using an electronic platform. Visual and audio identification of voters should be provided in case of electing a member of the Faculty Council electronically. In such a case, the video recording is attached to the minutes of the meeting and its processing is ensured in accordance with the applicable legislation on personal data protection.
